Greetings from Nobody's Children, a New Hampshire based IRS approved International Children's Charity helping needy children locally and globally since 1991.

Please help us to save the vision of six month old Maria Elena Sauca from Maramures, Romania. Maria Elena is rapidly becoming blind from the very rare condition "persistent tunica vasculosa lentis". She needs urgent surgery to try to save some of her eyesight.

She has already been examined at a clinic in Rome by Dr. Michael Trese of Associated Retinal Consultants from The William Beaumont Hospital in Royal Oak, MI. He has scheduled her for sight-saving surgery at Beaumont on Jan 9, 2017. We need to raise \$24,000 for her surgery in the next month.

Nobody's Children will provide round-trip airfare for Maria Elena and her mother. We will provide food and housing in Royal Oak. However, neither Nobody's Children nor her family have the financial means to cover the cost of the actual surgery.

Please help us with a generous financial donation toward the \$24,000 cost of surgery. You can reach me at the contact information below.

Please help us give the gift of sight to Maria Elena Sauca.

In Hope and Peace and Sight for Children
